

DCA's Pre-Team

**A pre-competitive team program for tumbling & trampoline athletes
2023 & 2024 Season**

Overview

DCA's pre-team is a beginner tumbling and trampoline program for athletes who have shown some talent, skill and love for tumbling and trampoline, would like to learn more advanced skills and routines, and introduces the athlete to the competitive world of tumbling and trampoline. It gives the athlete a taste of the competitive sport with less overall commitment than our travel team. DCA's pre-team program is co-ed where girls and boys at or around the same levels and ages practice together with the focus on advancing individual tumbling and trampoline skills and learning to connect these skills into routines that they can then compete/showcase in a fun, stress-free environment at in-house events. Pre-team is less regimented than our travel team in physical attributes, commitment level and financial obligations. Pre-team athletes may transfer to the travel team with coach recommendation and if there is space on travel team but there is no pressure to do so.

Skill Requirements: intermediate class level preferred (RO rebound and start of BHS) and ability to connect jump skills on trampoline.

Ages: for girls and boys 1st grade - 6th grade (Kindergarten by invite)

Uniform

Girls will receive a team practice leotard they can wear during their class and practices as well as to all the team events/competitions. Boys will receive a team compression shirt again for practices and the showcase/meets. All athletes need to wear socks for practices or can purchase trampoline shoes online (~\$20-40). There will be optional team spirit wear items like backpacks, tees and hoodies for athletes and parents that you can purchase through our online pro shop, Squadlocker. If you have a Leo or step in from the fall pre-team session, you do not have to buy another uniform.
