This is for all school-aged children 1st grade - HS. HS students also have option to make up in 7:30pm classes. Students in the Preschool- Kindergarten classes, make ups into other Pre-K classes. Must be registered for make up class- call or email to schedule.

HOW DOES IT WORK?

- check out our class schedule and if you have questions, call or email us. If not, go to parent portal on our website, dupagetumbling.com, and register for your class.
- first time you register, you will pay the prorated cost of that month and after that, your card will be billed monthly with payment due on the 25th of the prior month (i.e. October's tuition is due September 25th)
- once you are registered, you will continue in the class. It's that easy. No re-registering, no wondering if your child has a spot in class.
- your child will constantly be evaluated to ensure they are in the proper class and if your child is ready to move up, we will let you know.
- every family is required to have a debit/credit card on file but you have the option to pay with cash or check prior to the 25th of the month.
- There is no contract. Wish to drop the class? Just send us an email by the 15th of the prior month letting us know you wish to drop class. Failure to give us written notice by the 15th, you will be charged and therefore, enrolled in upcoming month.
- tuition is budgeted on a 48 week school year from August 1st 2022 - July 30, 2023 allowing for holidays and time off for families as well as our coaching staff. You do not get charged more for longer months nor do you get charged less for shorter months. We average the tuition amount for ease of budgeting for our families. Therefore, there is no need for make ups when the gym is closed on your tumbling day as that day has already been taken into account with the overall yearly tuition.
- Annual membership fee is due every August/(re)entry into program \$35/student or \$55/family. Membership fee gets you membership rates on camps, clinics and open gyms.

Class Policies:

- 1 make up per month allowed and must be scheduled. (see above)
- We will be as flexible as we can and try to keep up with your schedules by allowing you to switch class days from month to month as long as there is space in the class. If you find you need to find another day that better fits your schedule, give us a call and we will do what we can for you.
- Clean cheer shoes, trampoline shoes, socks, or grippy socks are required for tumbling and trampoline classes (please walk in with different shoes and change once in lobby.) Socks or trampoline shoes must be worn on all trampoline surfaces- no bare feet.

- Dress Code for Classes: leotards, tight fitting tshirts/tank tops, shorts with no buttons, snaps or zippers. Midriff must be covered. Boys must wear shirts. No jewelry or watches. Hair up out of face.
- Please bring your own water bottles. We do not have a water fountain. We do sell water for \$1/bottle.
- Feel free to talk with coaches regarding progress of your child's tumbling skills. We are happy to set up meetings in person or over the phone with your child's coach.
